Ex. 5 - Deliberative Process 4 25 16.docx

Hi Kathy,

See attached. I have applied all of your recommended edits and made some further additions of my own. As noted, I am working on some additional language on water quality impacts that I will drop in soon, but I wanted to get this to you before COB today as I had said I would.

As always, just let me know if you have questions or concerns or want to discuss anything.

-Carter
